

39th IACDE

National Conference
MUMBAI

RESTO-AESTHO-CONS-ENDO

Date: 28th Nov to 1st Dec, 2024 | Venue: JIO World Convention Centre

SEPARATED INSTRUMENT MANAGEMENT CONCEPTS SYMPOSIUM CONDUCTOR - DR. SONALI KAPOOR

| | | |
|---|--|------------------|
| 1 | Biomechanical Considerations in Retrieval of separated instruments | Dr. Ashish Jain |
| 2 | Understanding the risk factors in instrument retrieval | Dr. Smitha Reddy |
| 3 | Tips and tricks for instrument retrieval | Dr. Abrar Sayyad |
| 4 | Management Strategies for separated instrument in various clinical scenarios | Dr. Adarsha M S |
| 5 | Emerging technology and innovation in instrument retrieval - Whats on the Horizon? | Dr. Kamal Bagda |

DENTAL PULP SYMPOSIUM CONDUCTOR - DR. MAMTA KAUSHIK

| | | |
|---|---|---------------------|
| 1 | Pathophysiology of the Dental pulp | Dr. Aparna Palekar |
| 2 | Microcirculation - An eye opener | Dr. Srinidhi SR |
| 3 | Biomarkers in pulpal inflammation | Dr. Sonali Taneja |
| 4 | Sensitivity or Sensibility | Dr. Shraddha Choksi |
| 5 | Compartment syndrome and its implications | Dr. Sirekha |
| 6 | Pulpal response to trauma | Dr. Sumanthini |

DEEP CARIES MANAGEMENT SYMPOSIUM CONDUCTOR - DR. SUPARNA SAHA

| | | |
|---|--|---------------------|
| 1 | Pathophysiology of Deep Caries | Dr. Minal Gulve |
| 2 | Tools and techniques in diagnosis of deep caries | Dr. Dipali Shah |
| 3 | One-step vs. two-step caries excavation | Dr. Shruti Nagaraj |
| 4 | Management Techniques for deep carious lesions | Dr. Raksha Bhat |
| 5 | Treatment outcomes of deep caries management | Dr. Sathish Abraham |
| 6 | Vital Pulp therapy and Irreversible Pulpitis [Closing remarks] | Dr. Suparna Saha |

BIOCERAMICS IN CONS AND ENDO SYMPOSIUM CONDUCTOR - DR. KANWALPREET BHULLAR

| | | |
|---|---|-----------------------|
| 1 | Evolution and genres | Dr. Manasi Vandekar |
| 2 | Properties of bioceramics | Dr. Pawan Patel |
| 3 | Tissue reaction to Bioceramic materials | Dr. Pratima Sheno |
| 4 | Role of bioceramics in Conservative Dentistry | Dr. Arvind Kumar |
| 5 | Role of bioceramics in Endodontics | Dr. Manikandan |
| 6 | Emerging trends in Bioceramics | Dr. Paromita Mazumdar |
